I'm a passionate UI/UX designer with hands-on experience in Figma and a solid foundation in HTML and CSS. Currently pursuing a Bachelor's in Computer Application, I enjoy bringing ideas to life through clean, user-friendly designs. I'm driven by a love for solving problems creatively and crafting digital experiences that are both beautiful and functional. With a strong focus on the user, I aim to design interfaces that feel natural, intuitive, and impactful.

EDUCATION

Bachelors in Computer Application (BCA)

Ratna Rajyalaxmi Campus

Kathmandu
November, 2023 – Present

Currently enrolled in a comprehensive program focused on software development, computer systems, and IT solutions. Building a strong foundation in programming, problem-solving, and technology-driven innovation to create practical and user-focused digital solutions.

Secondary Level Education

Maninukunda College

Kathmandu
Feb, 2020 - Feb, 2022

Completed a rigorous curriculum emphasizing advanced mathematics, physics, and foundational sciences, developing strong analytical and problem-solving skills.

PROJECTS

MoMs Cafe

Designed a responsive website prototype in Figma featuring

- Intuitive navigation: Easy access to menu, services, and online ordering.
- Accessible design: Inclusive interface catering to families and busy parents.
- Seamless UI: Warm and inviting layout delivering a cozy, friendly cafe experience.

Flower

Created a responsive flower shop website prototype in Figma featuring:

- Designed a responsive flower shop website in Figma with intuitive navigation for easy browsing.
- Created an accessible layout suitable for all users, including gift buyers and event planners.
- Developed an elegant and vibrant UI that reflects the freshness and beauty of flowers.

E-commers Mobile Application

Designed a user-friendly mobile application prototype in Figma featuring:

- Intuitive navigation: Smooth browsing of products, categories, and cart.
- Accessible design: Inclusive layout tailored for all users, ensuring easy shopping on any device.
- Seamless UI: Clean and modern interface focused on enhancing the mobile shopping experience.

TRAINING /CERTIFICATIONS

UI/UX Training Workshop

April 2025

Mindrivers institute of technology

Completed a 2.5-month training in UI/UX design, focusing on wireframing, prototyping, and using tools like Figma and Adobe XD to create intuitive user interfaces.

UI/UX Design Course

June 2025

Udemy

Completed a 10.5-hour UI/UX course on Udemy with Marcus Menti and Zechariah Tech. Learned UI/UX design using Figma and Adobe XD, focusing on wireframing, prototyping, and creating user-friendly digital products.

SKILLS

Figma, HTML & CSS
